August 30th – September 20th

There will be someone working in the office until 8pm to answer playoff & 1st week of play questions.

GHOST RULE QUESTIONS

Can a team use the ghost rule if they have 5 or more players at the match?

Yes, each team is allowed to use 2 Ghost Rules per session; so they can use it anytime. They just need to make sure that they notify the opposing team before the 2nd match of the need to use the ghost rule.

What happens when a team uses the ghost rule for a 3rd or 4th time?

If a team has already used their 2nd ghost rule they will lose the bonus points for the night. If their player won the match, they will also lose the points won for that match and the opposing team will receive the points for that match.
