Spring Session – Week 15 – April 2010

## DIVISIONAL PLAYOFFS -

If any team would like to play their Division Championship Match (2nd week of playoffs) in their area they may BUT they must do the following. The teams MUST NOTIFY THE OFFICE THAT YOU ARE PLAYING IN YOUR AREA. **You must call 888-APA-POOL & get the name of the person you speak to in the office. You can e-mail us also but you need to make sure you get a confirmation e-mail in return.** The match must be played within 2 days of the 1st week of playoffs because the Qualifier Cups start the weekend following playoffs for the Spring Session.

BOTH teams have to agree to play it in your area instead of at the qualifier cup. The winning team must fax in both score sheets and then mail both score sheets along with the weekly dues for both teams. The winning team then must call the office to find out the time of their first match at the Qualifier Cup. We appreciate your understanding with the time constraints for the Spring Session.

Congratulations to  
**SALVATORE COLAVITO  
& KARL KAISER**
