Playoffs/Qualifier Cup

Last Week of Play

There can be no protests on the last week of play.

If you have any problems you must contact your division representative or an area manager to solve the problem. Reps and Managers are able to contact Kim or Bruce for problems.

If any team would like to play their 1st round of the Qualifier Cup in their area they may BUT they must do the following. The teams **MUST NOTIFY THE OFFICE THAT YOU ARE PLAYING IN YOUR AREA. YOU MUST PLAY WITHIN 2 WEEKS** of the 1st week of playoffs. BOTH teams have to agree to play it in your area instead of at the qualifier cup. The winning team must fax in both score sheets and then mail both score sheets along with the dues for both teams. The winning team then must call the office to find out the time of their first match at the Qualifier Cup.

Eligibility for

Playoffs & Qualifiers

*In order for a player to be eligible for Playoff matches they must play 4 matches during the current session. To play in the qualifier cup they would need 6 matches overall including the 4 during the session. **The summer session is the shortest session make sure all your players get the required number of matches.***

Make sure your team is current on all League Fees.....

If your team is behind on weekly league fees you will not be allowed to be in the wildcard draw and may be completely removed from playoffs. If your team is behind make a concerted effort to catch up, as there are only a few weeks left of regular play.

Register for the Fall Session...

To register your team you can fill out the registration form attached to your score sheet or you can just check yes at the bottom of your score sheet.
